Dear Sisters and Brothers:

This is the official announcement of the IAM's ***Basic Communicators Class*** to be held ***June 14-19, 2020***, at the William W. Winpisinger Education and Technology Center in Hollywood, Maryland.

Offered by the IAM Communications Department, this basic course is geared toward lodge Communicators. The course is designed to upgrade their skills and take their lodge communications to the next level by providing instruction in: writing, social media, marketing, photography, desktop publishing, on-camera presence and legal issues. The class does not provide instruction on building or maintaining websites. Anyone interested in building a webpage should look into attending the Basic Web Development Course.

Requirements for the course:

1. Participants must be the Communicator for their Local or District Lodge.
2. Participants must have either personal or lodge access to the internet and email capability.

Because this course is designed for the entry-level Communicator, priority will be given to participants who have not attended previous Communications Department courses at the Winpisinger Center, such as Basic Newsletter or Web Development.
