The Other Side

*We gather here in silence
To join in union as we pray
For the safety of your families
As they work from day to day*

*We pray for those who've fallen
Through Heaven's Gate as angels guide
And we'll know there's been a union formed
Just on the "other side"*

*We'll read each name with honor
And chime a single bell
For those we've lost since we last met
That served our union well*

*Those whose names have now been placed
Where forever will they be
A symbol that will represent
Our Union's Solidarity*

Always Remember

We bow our heads in silent grace;
 Proud to stand upon this place.
 To honor those who we love and lost;
 Whose lives were taken at such a cost.
 Through the pain and sorrow, for all the brave and true;
 To always be remembered by me and by you.
 To heal the minds and hearts, of those who still live;
 Always remembering what they had to give.
 Live your lives with pride in hearing what I say;
 May God bless and keep you on this and every day.
